شرکت شیرآلات بهداشتی جزیره با بیش از ۲۳ سال سابقه فعالیت در تولید شیرآلات بهداشتی، با بهره‌گیری از فن‌آوری روز و همکاری با متخصصین، مهندسان و پرسنل مجرب خود توانسته است، محصولات متنوع، کیفیت مطلوب به همراه خدمات پس از فروش گسترده، مطابق با استاندارد ملی ایران، استاندارد اروپا CE و استانداردهای بین‌المللی از جمله ISO 9001:2015 تولید نماید و در زمره برترین تولیدکنندگان شیرآلات بهداشتی کشور محسوب شود، در همین راستا، هم‌زمان با تولید خارجی، و با توجه به دارا بودن نشان استاندارد اروپا CE در زمینه صادرات قدم‌های اساسی برداشته، به‌طوری که امروزه برند جزیره در کشورهای خاورمیانه کاملاً شناخته شده و مورد استفاده قرار می‌گیرد. توسعه صادرات و درآمدهای ارزی برای کشور عزیزمان ایران، از جمله افق‌های بلند این شرکت می‌باشد.

Jazireh Sanitary Faucets, with over 23 years of experience in the production of sanitary faucets, has successfully manufactured a diverse range of high-quality products, coupled with extensive after-sales services. By leveraging cutting-edge technology and collaborating with a team of skilled experts, engineers, and personnel, the company has consistently met and exceeded national Iranian standards, European CE standards, and international standards such as ISO 9001:2015. This commitment to quality and innovation has established Jazireh as one of the leading producers of sanitary faucets in the country.

In parallel with domestic production, Jazireh has taken significant strides in exporting its products, facilitated by its acquisition of the European CE standard. The Jazireh brand has gained substantial recognition and market penetration in Middle Eastern countries. The company's strategic vision includes expanding its export market and contributing to the growth of foreign exchange earnings for Iran.

- Long-standing experience: Over 23 years of operation in the sanitary faucet industry.
- Technological advancement: Utilization of the latest technology and industry best practices.
- Quality and standards: Adherence to national, European, and international quality standards.
- Product diversity: A wide range of high-quality products.
- After-sales services: Comprehensive support to customers post-purchase.
- Market leadership: Recognized as a leading producer of sanitary faucets in Iran.
- Export focus: Successful export of products to Middle Eastern countries.
- Future goals: Expansion of export markets and contribution to Iran's economy.
